VOLUME 28

NUMBER 6

JULY 2014

Q: Why do bakers go to work so early in the morning?
A: They knead the dough!

A man went to his doctor complaining about having weird dreams. "Doc, I keep having these bad dreams. One night I'm a wigwam, the next I'm a teepee. Wigwam, teepee—every night. Am I going crazy?" The doctor replied, "No, you'll be just fine. You're just too tents."

A guy called a budget airline to book a flight. The operator asked: "How many people are traveling?" "How should I know?" said the man. "It's your plane!"

Why did the belt go to jail?
It held up a pair of pants!

Teacher: Class, you have 30 minutes to write a story on the subject of baseball.

Jonah: Here's my paper.

Teacher: Jonah, you spent only one minute writing your essay. Let's hear what you wrote.

Jonah: Game called off on account of rain.

A guy was meeting a friend in a bar. As he walked in, he noticed two pretty girls looking at him. He heard one girl say to the other, "Nine." Feeling pleased with himself, he swaggered over to his buddy at the bar and told him that the girl in the corner had just rated him a nine out of ten. "Sorry to spoil your evening," said his friend, "but when I walked in, they were speaking German."

At a fabric store, a pretty girl spotted a nice material for a dress and asked the male clerk how much it cost. "Only one kiss per yard," replied the clerk with a smirk. "That's fine," said the girl. I'll take ten yards." With expectation and anticipation written all over his face, the clerk quickly measured out the cloth, wrapped it up, and then teasingly held it out. The girl took the bag and pointed to the old man standing beside her. Smiling, she said, "Grandpa will pay the bill."

A guy walked into a bar with a slab of asphalt under his arm. He said to the bartender: "I'll take a beer, and one for the road."

Snow was falling heavily the day I decided to visit a car dealership. I was confident I'd get a great deal, figuring the salesmen would be desperate for customers on such a lousy day.

Sure enough, when I entered the showroom, I was the only client. My hopes for getting a good deal quickly faded, however, when I heard the approaching salesman's very first words.

"Boy," he said, jovially, "you must really want a new car badly to come out on a day like this!"

People who like this sort of thing will find it just the sort of thing they like. ---Abraham Lincoln

Did you hear about the two radio antennas that got married? The wedding was terrible, but the reception was excellent!

Servers have heard them all, but we rarely hear someone turn down a refill. "Nah, I better not have one," said one man after I offered him a refill on his coffee. "I have the world's worst stomach. I eat so many antacids that if I were to keel over dead right this minute, I'd leave my own chalk outline."

An older couple had just learned how to send text messages on their cellphones. The wife was a romantic type, and the husband was more of a no-nonsense guy. One afternoon the wife went out to meet a friend for coffee. She decided to send her husband a romantic text message, so she wrote: "If you are sleeping, send me your dreams. If you are laughing, send me your smile. If you are eating, send me a bite. If you are drinking, send me a sip. If you are crying, send me your tears. I love you." The husband texted back to her: "I'm using the bathroom. Please advise."

My husband, an avid golfer, couldn't help challenging my boastful son to a game of golf. He was in for quite a surprise, however, when on the first swing my son got a hole in one. "OK," my quick-thinking husband said while subtly winking at me, "now, I will take my practice shot, and then we will start."
