VOLUME 30

NUMBER 10

OCTOBER 2016

AFTER CHECKING OUT MY ACCOUNT I FIND MY CHECKING ACCOUNT IS OUT.

A girl called her father. "Dad, you gave me some terrible financial advice!" she cried. "I did? What did I tell you?" said the dad. "You told me to put my money in that big bank, and now that big bank is in trouble." "What are you talking about? That's one of the largest banks in the world," he said. "Surely there must be some mistake." "I don't think so," she sniffed. "They just returned one of my checks with a note saying, 'Insufficient Funds.'"

QUIT RIBBING ME ABOUT THE PORK.

"I'd like two pork chops," said the woman to her butcher. "And make them lean." "Yes, ma'am," said the polite butcher, standing them on end. "Which way?"

Q: Why is the barn so noisy?
A: Because the cows have horns.

At a wedding ceremony, the pastor asked if anyone had anything to say concerning the union of the bride and groom. Everything quickly turned to chaos when a woman carrying a child started walking towards the front. Everybody was shocked, and the bride even fainted. The pastor asked the woman if she had anything to say. The woman replied, "We can't hear in the back."

"Knock, knock."
"Who's there?"
"Nobel."
"Nobel who?"
"No bell. That's why I knocked."

MY BROTHER, HE'S A REAL PAIN IN THE NECK.

Mabel's four-year-old daughter had a terrible case of the flu. She was achy, had a high fever, and was terribly hoarse. After the usual routine of listening to her breathing and checking her ears, the doctor asked her daughter, "So, what would you say is bothering you the most?" After a brief pause, the little girl replied, "My little brother Steven. He always breaks my toys."

YOUR JOKE REALLY TEED ME OFF!

The teacher at a childbirth class announced, "Ladies, exercise is good for you. Walking is especially beneficial. And, gentlemen, it wouldn't hurt you to take the time to go walking with your partner." The room got quiet. Finally, a man in the middle of the group raised his hand. "Yes?" said the teacher. "Is it all right if she carries a golf bag while we walk?"

The pediatric nurse entered the room prepared to give the little girl a shot. Upon entering the examining room, the little girl starting screaming, "NO! NO!" "Jessica," her mother scolded her, "that is not polite behavior!" The girl stopped briefly, and then continued with her screaming, "NO THANK YOU! NO THANK YOU! NO THANK YOU!"

Ken's boss told him yesterday, "Ken, you shouldn't dress for the job you have. Instead, you should dress for the job you want." However, when he turned up at the office today wearing a Ghostbuster's uniform, he was fired.

Just before the final exam in a college finance class, a less-than-stellar student approached the professor. "Can you tell me what grade I would need to get on the exam to pass the course?" he asked. The professor gave him the bad news. "The exam is worth 100 points. You would need 113 points to earn a D." "OK," he said. "And how many points would I need to get a C?"

Bernard, who was noted for his gracious manners, was awakened one morning at 4:44 a.m. by his ringing telephone. "Your dog is barking and it's keeping me awake," said the angry voice on the other end of the line. Bernard thanked the caller and politely asked his name and number before hanging up. The next morning at precisely 4:44 a.m., Bernard called his neighbor back. "Good morning, Mr. Williams. I just called to say that I don't *have* a dog."

WHO DID YOU GET ON THE PHONE?

A MUSIC CRITIC

After much convincing from her husband, Tammy finally agreed to call an old family friend and sing her happy birthday. It was only after she finished singing that the voice at the other end of the line informed her that it was the wrong number.

"Oh, I'm so sorry," she said, embarrassed. "It's okay," the voice said, "you need all the practice you can get!"

A bank robber pulls out a gun points it at the teller, and says, "Give me all the money or you're geography!" The puzzled teller replies, "Did you mean to say 'or you're history?'" The robber says, "Don't change the subject!"
