

Coffee Break

Brought to you by your local printer!

You know what really makes me smile?
Facial muscles.

We have a strange practice in our office. The food has names. For example, yesterday I took a sandwich named Michael out of the fridge.

My wife won't let me get a tattoo of a grizzly bear on each bicep...
She is infringing on my right to bear arms!

*I told my boss, "Sorry I'm late. I was having computer issues."
"Hard drive?" he asked.
"No, the commute was fine. It's my laptop."*

I have a fear of speed bumps. But I am slowly getting over it.

*Mom: What did you do at school today?
Mark: We played a guessing game.
Mom: But I thought you were having a math exam?
Mark: That's right.*

THINGS I'M SUPER GOOD AT

1. Forgetting someone's name 30 seconds after they tell me.
2. Running. Late, that is.
3. Making plans ... then regretting making plans.
4. Thinking of a great comeback—an hour later.
5. Digging through the trash for the food box I just tossed, because I already forgot the directions.
6. Adding items to online carts. Then deleting.
7. Googling my ailments. Then panicking.
8. Leaving laundry to wrinkle in the dryer.
9. Forgetting why I walked into a room.
10. Calculating how much sleep I'll get if I can just "fall asleep right now."

*I asked the surgeon if I could administer my own anesthetic.
He said, "Sure, knock yourself out!"*

CLOSE YOUR EYES AND GRIT YOUR TEETH SO I CAN MAKE SURE IT'S YOU.

*A lumberjack once told me he's cut down 27,653 trees.
"How do you know exactly how many?" I inquired.
"Easy. I keep a log."*

*I exercised once, but found I was allergic to it.
My skin got flushed and my heart raced, I got sweaty and short of breath...
It's too dangerous.*

Standard Issue Impact

Don't overlook the impact that quality business cards, letterhead, and envelopes can have on the brand recognition you are encouraging in your customers.
