Doctor: "Have you been drinking fluids?"
Patient: "Jeez, Doc, that's literally all I drink."

Two windmills are standing in a wind farm. One asks, "What's your favorite kind of music?" The other says, "I'm a big metal fan."

Mother (to sleeping Tommy): "Little Tommy, wake up! It's twenty to eight."
Tommy (half asleep): "Who's winning?"

...

My wife asked me to put ketchup on the shopping list... Now I can't read anything.

I asked the librarian if books about paranoia were available. She looked up and whispered, "They're right behind you."

People are usually shocked when they find out I am not a good electrician.

A man found a magic lamp with a genie who offered him three wishes.
"For my first wish," he said, "I'd like to be rich."
"Okay, Rich," the genie replied, "what's your second wish?"

What do you call a wedding usher in Dublin, Ireland?
An Irish sitter!

...

I told my uncle I broke my leg in two places. He told me to quit going to those places.

THOUGHTS WHILE PACKING

You can never have too many socks and underwear. Let's double the number just to be safe.

They don't actually weigh carry-on bags, right?

You don't want to be the one that wears the same thing the entire trip!

Can't forget the snacks, people!

What if a freak basketball tournament breaks out, and I'm the only fool there that didn't bring basketball clothes and shoes?

But look how much room I'm saving with the sock-in-the-shoe trick!

Bring every headphone.

I don't usually floss, but let's bring it anyways. Who knows, right? I might feel inspired...

Ooh ... I'm forgetting bout the clothes I'm wearing on the way there...

I thumb my nose at your 3 oz. rule!

Me normally: Wears the same shirt for three days.

Me packing for vacation: "I'll probably change four times a day, so I'll need 28 shirts."
